

Requirements for Recertification Geriatric Physical Therapy

1. Certification Status

Applicants must hold current certification as a geriatric physical therapy specialist by the American Board of Physical Therapy Specialties.

2. License

Applicants must hold a current license to practice physical therapy in the United States, the District of Columbia, Puerto Rico, or the Virgin Islands.

3. Fees

Applicants will be required to pay an assessment review fee of \$650 for APTA members or \$910 for non-APTA members.

Recertification applications are to **be completed online by October 31st** of a given recertification year. Recertification candidates, who are unable to submit their application by this deadline, must contact APTA's Recertification Program to request a one-month extension of the application deadline. A **late application fee** of \$300 will be charged and late applications must be completed online by **November 30th** of a given recertification year.

4. Patient Care Experience

Candidates are required to document evidence of continued direct patient care activities in the specialty area, the equivalent of 200 hours per year since the date of most recent certification. Certified specialists are permitted to recertify up to 3 years prior to their certification expiration date. 200 of the total hours must have occurred within the last three [3] years.

Direct patient care in the specialty area must include activities in each of the elements of patient/client management applicable to the specialty area and included in the *Description of Specialty Practice* (DSP). These elements, as defined in the *Guide to Physical Therapist Practice*, are examination, evaluation, diagnosis, prognosis, and intervention.

5. Assessment Options

Candidates must obtain a passing score on one of the following assessment options:

Option 1 • Current Certification Examination

The applicant must sit for and pass a written examination that tests the application of advanced knowledge and clinical skills identified in the *Geriatric Physical Therapy: Description of Specialty Practice* (DSPP) ©, 2009. Refer to DSP book for detailed information on the exam content.

Option 2 • Professional Development Portfolio (PDP) - see next page for PDP requirements.

Option 3 • APTA-accredited post professional clinical residency

Applicants must submit evidence of successful completion of an APTA-accredited post professional Geriatric clinical residency.

Geriatrics Professional Development Portfolio (PDP) Requirements

1. Candidates must submit evidence of ongoing professional and educational development since their most recent certification in the appropriate format. **Please contact a member of APTA's Recertification Program, the Geriatric Specialty Council, or ABPTS if you are not sure whether an activity can be included in the PDP, or if you have questions about where to record the activity on the PDP form.**
2. Candidates must submit professional development activities that relate to increasing knowledge and skill in Geriatric physical therapy, providing a contribution to the specialty practice of Geriatric physical therapy, or continuing clinical excellence in the provision of geriatric patient care.
3. Candidates must obtain a minimum of thirty-five [35] professional development activity points. **Please do not document in excess of sixty [60] professional development activity points when preparing your PDP.**
4. Candidates must obtain professional development activity points in at least three [3] of the nine [9] approved professional development activity categories (eg, professional presentations, publications, clinical supervision). Candidates must earn at least one [1] point in any one activity category to count it toward this requirement. The activity categories, point values, and maximum points allowed in each category follow.
5. Candidates must document professional development activities that reflect the content of the *Geriatric Physical Therapy: Description of Specialty Practice* (DSP). For this purpose the DSP has been grouped into three major categories within the PDP:
 - A. Elements of Practice (4 point minimum)**

This category includes the following Approved Professional Development Activities

 - #4 Teaching a continuing education course or college/university course
 - #5 Professional presentations
 - #6 Professional writing*
 - #7 Professional services
 - B. Patient Care**

This category includes the following Approved Professional Development Activities

 - #1 Direct patient care in specialty area beyond minimum eligibility requirements
 - #8 Clinical supervision
 - #9b Contribution to a PT outcome database system
 - C. Knowledge Base (4 points minimum)**

This category includes the following Approved Professional Development Activities

 - #2 Participating in a continuing education course
 - #3 Completion of a college/university course
 - #9a Contribution to a research project
6. Professional development activities must have been completed within the past ten years or since the date of your most recent certification. Also, activities in the Professional Development Portfolio (PDP) should be listed chronologically by Professional Development Activities (PDA).

*On a piece of paper separate from the Professional Development Portfolio form, candidates must provide a reference list of all publications, utilizing the American Medical Association (AMA) style.
